

BIRDS OF A FEATHER READ TOGETHER

Baker Free Library Summer Reading Club 2009

Open to any child who can read independently.

- Registration starts on June 19th, 2009.
- Fill out a Reading Record at the library with your full name, grade, and telephone number. The Reading Records are left at the library.
- Read! Read! Read! Come in and write down the titles of the books you have read. Come regularly — or only once — it doesn't matter.
- For every three books you have read, you get to write your name and phone number on a bird and stick it on the walls in the children's area. There are invisible SECRET SPOTS on the walls, and every bird you put up gives you a chance at winning a Secret Spot prize. The more books you read, the more chances you will have to win!
- Secret Spots are measured off weekly, and the winners (those on or closest to the spots) are contacted by telephone. Prizes include stickers, stuffed animals, bird feeders, bird call books, and T-shirts. Prizes will be held at the library until you can pick them up.
- The last day to write down books is Wednesday, August 12th.
