## HOW READER ZONE WORKS WITH OUR SUMMER READING PROGRAM

When participants (like you!) log your books for our program, we will be able to see when you have finished those books.

- This earns adults and kids raffle tickets as well as incentive prizes for kids!

This app will allow you to participate if you are away or just can't make it into the library as often as you'd like during summer reading.

It is also great for kids that attend summer camps during the summer which limits their library visits.
